TROTTER RACES AT WOOD-LAWN.

Third Day.

The day was pleasant and the attendance large. In fact, the programme of the day's sport was unusually attractive. Three races, bringing together some of the best horses in the country, gave ample scope for the love of the turf to enjoy themselves and make it pay if lucky enough to secure their pools on the winning horses.

The first race was a three mile dash for a purse of \$250. The following entries were made:

1	St. Louis	Chicago	7:00 A.M.
2	St. Louis	Chicago	11:00 A.M.
3	St. Louis	Chicago	3:00 P.M.
4	St. Louis	Chicago	7:00 P.M.

This was one of the finest races we have witnessed at Woodlawn in a long time. After several unsuccessful attempts to start the horses got off on the third or fourth trial, Rodney slightly in the advance, which he maintained throughout the entire race, Douglas contesting closely the first and second mile, but Grey Eagle coming home second best in the race. Rodney made the first mile in 2:40, second mile in 2:50, and the third, mile in 2:40, and was declared winner.

The second race was a sweepstakes for three year olds, mile heats, for which there were three entries, only two horses starting, Prairie Fly and Mollie Lewis. At the start Prairie Fly took the lead and continued to open the gap all the way around, coming in winner of the heat and race in 3:15, Mollie Lewis distant. Here is the summary:

The Swindling Case—Examination of Auerbach.

Bank Matters.

In the Democrat of Monday we made mention of an attempt of one A. M. Auerbach to swindle our merchants out of some \$80,000 worth of goods, and gave some particulars in regard to the movements of the gentleman, who reported himself as a merchant from Mobile, having a boat, the Golden Rod, coming here with a load of goods, and a lot of cotton. The accused had a preliminary examination before the Police Court yesterday morning, and was held in \$1,000 to answer. The evidence in the case showed that he purchased at the following houses goods to the amount attached to each firm: Davis, Green & Co., wholesale dealers in boot and shoes, between \$7,000 and \$8,000; Kahn & Wolf, wholesale dealers, between \$12,000 and \$13,000; S. L. L. & Co., between \$15,000 and \$20,000; and Hirsch & Flexner, dealers in hats, about \$5,000. In addition to these, he is reported to have purchased goods to a considerable amount, making his entire purchases something like \$70,000. At each one of the houses where he selected goods he obtained several articles for his own use, thus procuring for himself a very fine wardrobe. Some of the witnesses who sold him goods stated that he purchased more in a few minutes than merchants usually did in several days. The counsel for the defense endeavored to show that Auerbach was insane, but this they were unable to substantiate, and he stands a very fine chance of boarding at Frankfort for some time at the expense of the State. At the time he was arrested he was going to Indianapolis, where he no doubt intended to practice the same game.

Court Martial.—The only two cases disposed of before the court-martial yesterday were those of private Hoover, of the 1st U. S. Cavalry, charged with desertion, and private Alexander of the same regiment, for desertion. During the next week a number of interesting cases will be before the military tribunal.

On Tuesday the case of Geo. Washington, of E. 12th U. S. C. H. A., charged with murder, was concluded. The evidence in the case disclosed the following facts: On the night of the 24th of September the accused, who was an picker, in company with Veach, a member of the same regiment, left his room, crossed the river and went to the house of Rufus Garvin for the purpose of stealing chickens. Veach went into the chicken-house, while Alexander stood watch. Mr. Garvin hearing the noise, came out, when Veach fired at him, the ball causing instant death. The decision of the court in the case has been sent to the General commanding for approval, and will be made public as soon as his decision is made known.

City Commission. Frank.—We would call the attention of our readers to the card of the well-known and long established commission house of Guthrie & Co. It will be seen that they have taken into partnership S. H. Shaffer, J. H. Martin and Harry Bishop. The old members of the firm are too well known to need any words of praise from us, having been in the business for a number of years. The new members are all young men of fine business qualities and energy of action, and will no doubt prove a profitable acquisition to the house. They have been connected with the business for some time, and fully understand it in all its details and branches. We commend the new firm of Guthrie & Co. to our merchants.

REAL ESTATE TRANSFERS.—The following transfers were made in the city and county from the 1st to the 4th inst:

SHOOTING AFFAIR.—A shooting affair occurred last night at the bar-room of Geo. Manis, on Market street, between fifth and sixth streets, in which Charles O'Hryan was shot in the neck by his brother, Albert O'Hryan. Albert and other men got into a difficulty in regard to a game when Albert drew his pistol and fired. The ball missed the mark at which it was aimed and struck his brother. O'Hryan was arrested and placed in jail by Officer Hart, Junr.

THE GREAT CASE BESTOWED upon the commercial department of the Democrat is being daily appreciated by the public. Our country friends congratulate us on the improved character of our commercial intelligence. We beg leave, in this connection, to state that the whole time of a most competent gentleman is given to the department, and we know our quotations are reliable in every particular.

There still exists a great demand for comfortable houses in the city. It is not too late in the season for our enterprising gentlemen to contract for building. Houses for the poor are in excess, and capitalists should foster and encourage population, especially when all descriptions of houses yield a fine per cent. in rents. Up with the houses—the people are ready to occupy them.

ARRESTED AND HELD TO ANSWER.—Some time since we mentioned the arrest of Mollie Jackson for robbing Joseph Smith, an old man, of fifty dollars. Yesterday morning Officer Ben. Fearing arrested Mary Bond, charged with being concerned in the same robbery. She was taken before Judges Clements and Matlack, and held in the sum of \$500 to answer.

STUCK OUT.—The first oil and mining company of Clark county, Indiana, on Monday last, at the depth of four hundred feet, struck a vein of hard coal of superior quality. The well is in Henryville, nineteen miles back of Jeffersonville, on the Jeffersonville and Indianapolis railroad.

IMPORTANT STEP.—The suit of the stockholders of the Kentucky Central Railroad against the present owners, to set aside the sale by which the latter claim the road, has been commenced in the Kenton Circuit Court. Quite a number of able lawyers have been employed on each side.

SCUDDED DEATH OF AN OLD SETTLER.—The New Albany Ledger says that "on Monday, the 28th instant, Mrs. Martha Lafollette was sitting in her chair in apparent good health, talking with her son, when without moving she fell from her chair and expired in a few minutes. Mrs. Lafollette was 78 years of age. She had been with her husband, who was now ninety years of age, for nearly 50 years, and was a company with him removed to this county 61 years ago, and resided here until summoned to a residence in heaven."

THE INDIANA STATE FAIR, at Fort Wayne, is making highly satisfactory progress. The entries on Tuesday amounted to 1,700, which is an excess of any previous year except 1880. The show of musical instruments, sheep, cattle, horses, agricultural implements, farm produce and fruits is said to be very good indeed. Nothing but unfavorable weather will prevent the fair from being a brilliant success.

A Chicago firm will pick beef in New Albany, commencing the middle of November, and continuing the middle of December.

Announcements.

Woods Theatre.

The charming young actress Miss Charlotte Thompson, who has been a large audience last night, the play of "Little Bessie," will return to Louisville on Monday next. She has a fine collection of costumes, dresses well, and plays to perfection. On the theatrical stage, and even on the stage of the Louisville public, "Little Bessie" will be repeated.

LOUISVILLE THEATRE.—"Waiting for the Verdict" will be on at the Louisville, and the way it draws, in the language of the funny man, "there is nothing like it and we hope it will not be drawn during the week, so that all may have the opportunity to see it. All the characters, with perfect adaptation, of that of the part, are well cast and well sustained. Mr. Frazer does not look the character and rather mangles through it. Mr. Ashton does a little better through it. Mr. Frazer does not look the character and rather mangles through it. Mr. Ashton does a little better through it.
